

Jidenna Drops The Let Out Feat. Quavo Reveals Debut Album Release Date

[youtube id="wB01eVFUqc8"] Jidenna's new single "The Let Out" featuring Quavo from Migos just leaked and today he announced on Twitter that his debut album, The Chief would finally come out February 17th. Jidenna was one of the Wondaland Artists to join Janelle Monae at the Women's March in Washington. After the success of "Classic Man" and the video for "Long Live The Chief" fans have been patiently waiting for his full-length album. Catch him live tonight at 10:30 PM EST on his [Instagram](#) page while he's shooting the video for "The Let Out."
