

KRS - One: Slavery (Free Download)

[Slavery \(Studio Version\) by KRS-One](#)

KRS-One is releasing new music every Friday for Black History Month and “Slavery” is the first song in his series. “Slavery” is a history lesson on who African-Americans were before they landed in Jamestown in 1619. Â KRS-One is now living in England and one can’t help but wonder if it is because of his prior criticism of America.
