

All Eyez On Me Trailer #3

[youtube id="Ciy_pDlwQ4I"] Tupac Shakur's *All Eyez On Me* biopic just received another trailer before the June 16th release date which is also Shakur's birthday. Demetrius Shipp Jr. stars as Tupac in the Benny Boom-directed feature which will be distributed by Lion's Gate Films. The trailer is a glimpse of the trials Tupac encountered because of his inner conflicts, all the drama that came with being a Death Row artist and the East Coast versus West coast problem exacerbated by the media.
