

Jidenna Releases Official Video For The Let Out Feat. Kwabena & Pop-Up Show In NYC Tomorrow Night

[youtube id="JWIqrKhP2Kg"] Jidenna has dinner at home and a party in the street with family and friends in his official video for "The Let Out" featuring Kwabena. The rapper soothed worries over him possibly being a one-hit wonder with "Classic Man" when the video for "Long Live The Chief" came out last year. Tomorrow night he will have a pop-up show at Kola House in New York City to celebrate [The Chief](#) coming out this Friday. You can RSVP [here](#).
