

Watch Faith Evans & Jadakiss Record NYC

[youtube id="l0es6GzDkAk"] Watch Faith Evans and Jadakiss in the studio recording "NYC" from her Biggie Smalls duet album *The King & I*. The footage of them working together dispels the myth that everyone recording today is making their music via file-sharing with fellow artists on the internet. [*The King & I*](#) will be available at all the usual retailers on May 19th.
