

Andy Suzuki & The Method Take Over The Subway In The Video For I Can't Live

[youtube id="A5jg6VbYT44"] Andy Suzuki and The Method just released *The Glass Hour* and have a video for "I Can't Live." Andy Suzuki took over a subway train in Queens, New York one early morning to film the video's focus on his interaction with a love interest. It is 2017 and filming videos on the streets of NYC or the subway still has its appeal.Â Stream *The Glass Hour* below and [tickets](#) for their USA shows are on sale now
