

Terrace Martin Presents A Velvet Portrait Short Film

[youtube id="yeoqXmB9j4c"] Terrace Martin's Grammy-nominated *Velvet Portraits* album has a short film directed by Aplusfilmz. A couple in strife go through their conflict with scenes from the street, the beach and an apartment. Martin said this about the film:

“I wanted something to represent real life, I got with a great crew of writers & directors, Aplus Filmz, a great producer, Beny Ashburn, and some great new actors and dancers. After that art was made.”
