

Danny Brown: Ain't It Funny Official Video

[youtube id="7L4JnAuW00k"] Jonah Hill directs Danny Brown in his "Ain't It Funny" video which uses dark comedy to look at the drug epidemic and the commodification of pain. Brown told The Fader that he is the rapper who got Dave Chappelle so high he couldn't perform in Detroit. Chappelle mentions this incident in one of his Netflix comedy specials but he did not name the rapper.
