

# Lenny Kravitz RRHF Prince Tribute

[youtube id="GQa5ZMzN8B4"] Lenny Kravitz performed a tribute to Prince at this year's Rock And Roll Hall Of Fame ceremony. He led the crowd through "When Doves Cry" and "The Cross" with the Love Fellowship Choir. Prince and Kravitz have shared the stage in the past and knew each other well. Fans still talk about Prince's electrifying performance of "My Guitar Gently Weeps" after his 2004 induction. On April 21st it will be one year since Prince's passing.
