

The Gold Setting Releases Video For My Love

[youtube id="a2l_3jYS_zY"] The Gold Setting's video for "My Love" is dimly lit with lots of kaleidoscopic shapes surrounding lead singer Liza Colby. The effect is like looking at the last bits of a hazy psychoactive trip.Â They just released their *Volume And Tone* EP which is rooted in a blend of influences from Motown to the stylings of pop and R&B.
