

Gorillaz Announce Humanz Tour Dates

Gorillaz' much awaited *Humanz* album comes out April 28th and they will go on their North American tour July 8th. The debut of videos for "Hallelujah Money" and "Saturnz Barz" Â raised the anticipation for Humanz that was already there because of their seven-year absence. The first show will be in Chicago at the Huntington Bank Pavilion at Northerly Island. The tour promises to have appearances from some of the album's many guests including Â Jamie Principle, Mavis Staples, Danny Brown, De La Soul, D.R.A.M., Pusha T, Grace Jones and more. [Tickets](#) go sale this Friday April 21st.
