

J.Dilla: Motor City J-Rocc Blend # 2 Featuring Q-Tip & Busta Rhymes

Motor City is a new collection of unheard instrumentals from J.Dilla handpicked by his mother Maureen Yancey who is simply known as Ma Dukes. The 19-song tracklisting is packaged as a letter from her to Dilla with a handwritten message in a mailing envelope. J Rocc of the Beat Junkies was Dilla's friend and he has a mix of the album included as a download code. Blend #2 has Q-Tip and Busta Rhymes rapping over a Dilla beat in a reworking of Pharrell's "For The Nasty." *Motor City* will be released [April 28th](#) and can be [pre-ordered](#) on Friday.
