

Anderson.Paak, Bruno Mars, Nile Rodgers & Disclosure In The Studio

<https://twitter.com/amatamasamo/status/856901867632300033>

anderson.paak is on tour right now as the opening act for Bruno Mars in Europe. This video was posted today on Twitter of them in Abbey Road studios with Guy Lawrence of Disclosure and Nile Rodgers. There are no official announcements about all of them working together but the video conjures up the many possibilities. Nile Rodgers will be touring with Chic and Earth, Wind & Fire during the summer and anderson.paak's band the Free Nationals will release their album this year.
