

Prince's Purple Rain Deluxe Edition Has Unreleased Music & Video Footage

Prince's deluxe edition of *Purple Rain* has unreleased music from his vault and never seen footage of him with The Revolution in 1985. Prince worked on the project before his passing and approved the 11 new songs added to the album. He also supervised the 2015Â Paisley Park remaster of the original tapes. The expanded album will be on sale June 23rd and can be [pre-ordered](#) now from the usual retail outlets. The Revolution is currently [touring](#) the United States.
