

Terrace Martin Introduces The Pollyseeds Debuts Single Intentions

Terrace Martin has assembled a collective of musicians he calls The Pollyseeds. Kamasi Washington, Robert Glasper and Rose Gold are among the artists in the group. Martin described the band in a press release as a mission;

“To honestly express yourself at a high level while paying homage, yet being current and innovating the times... is the Pollyseeds.”

“Intentions” featuring rapper ChaciÂ who is also known as Problem is the first publicly-shared sound from their forthcoming *Sounds Of Crenshaw Vol. 1*. The album will be released July 14th and is available for [pre-order](#).
