

Binary Star Release New Single Subterraneous From Waterworld 3

Binary Star's One Be Lo and Decompoze are joined by T Calmese, RoSpit and Malaki on "Subterraneous" from *Waterworld 3*. Decompoze produced "Subterraneous" and he shaped the sound of the album with OneManArmy. Binary Star describes *Waterworld 3* as an album for the people who have been smushed between wars and capitalist exploitation among other things.Â [Waterworld 3](#) comes out Friday.
