

De La Soul: Drawn Feat. Little Dragon Official Video

[youtube id="lGpw84iVgmM"] De La Soul and Little Dragon give the spotlight to a woman painter in their video for "Drawn." She spends the time sketching, bathing, dancing and looking over a painting of Â Posdnuos who raps his verses from a seat in an empty theater. De La Soul's Kickstarter-funded *And The Anonymous Nobody...* was nominated for Best Rap Album this year at The Grammy's. The group is currently touring Europe and will kick off theirÂ United States [tour](#) in August.
