

Xscape Performs Hit Medley At 2017 BET Awards

Xscape reunited at the BET Awards and led the audience in a singalong of their hits from the '90s. The crowd joined them on "Understanding" "Who Can I Run To" and "Just Kickin' It." They disbanded in 2002 and had a brief reunion in 2005. Those attending the Essence Music Festival this year will have the chance to see their first live show in almost 20 years.
