Superfresh

[youtube id="NYij0KaHhzI"] Jamiroquai's *Automaton* is their first album since 2010's *Rock Dust Light Star* and fans feel that it stays true to their love of disco and funk. "Superfresh" is classic Jamiroquai for that very reason and the video is a personalized kaleidoscope with alternating shots of the starring woman and Jay Kay. The band will tour Europe this summer and fall but no announcement has been made about dates in the US.
