

Ravi Coltrane Quartet: NPR Tiny Desk Concert

[youtube id="NEUD2CkKn8o"] Ravi Coltrane's Quartet has surprised NPR fans with a Tiny Desk Concert of three songs with no lack of improvisation. The son of John and Alice Coltrane and cousin to Flying Lotus has recorded as a bandleader since 1998's *Moving Pictures*. *Spirit Fiction* from 2012 is his most recent album as a leader and the late Geri Allen is one of the credited musicians. Coltrane received one of three Grammy nominations for 2016's [*In Movement*](#) recorded with Jack DeJohnette who worked with his father.
