

Count Bass D Collaborates With Snoop Dogg On Single Too Much Pressure

[youtube id="bAm94vumysY"] Count Bass D's "Too Much Pressure" is an obvious reference to all the political tension in the country and the lament is smoothed out by an appearance from Snoop Dogg. The rapper/producer/instrumentalist is getting his new EP, also titled *Too Much Pressure*, ready for release. His last EP was *The Count In Cologne* from 2014 and in 2016 his full-length *Instantly New* came out.
