

Rapsody: The Point Featuring Hiatus Kaiyote Official Video

Rapsody enjoys an NYC rooftop in her video for “The Point” featuring Hiatus Kaiyote. Nai Palm hangs out with her on the rooftop and sings Alicia Keys’ hook from “Empire State Of Mind.” At the end of the video, she talks philosophically about what being in NYC means to her career. 9th Wonder produced the song from her forthcoming Roc Nation debut that does not have a release date.
