Thundercat Explores One Of His Favorite Cities In Video For Tokyo

[youtube id="SZzjw2UfUEk"] Thundercat's video for "Tokyo" is about his love for the city and the camera follows him around while he enjoys sushi, shops for anime and hangs out with a bunch of cats. His joy for the city comes through the screen and could be used as material to attract tourists to Japan's busy capital. Thundercat is touring Drunk for the rest of the year.
