

Flying Lotus Announces 3D North American Tour

Flying Lotus made his debut as a film director last month with *KUSO* and he has already moved on and is preparing to take his new 3D show on a tour of North America. He performed the first 3D show at the FYF Festival this year. The tour will start in Los Angeles in October at Hollywood Forever Cemetery with Thundercat in conjunction with the first Red Bull Music Academy Festival Los Angeles. Tickets go on sale this Friday.
