

# VanJess Featuring Masego: Touch The Floor Official Video

[youtube id="pdwwIKEz55M"] Ivana and Jessica Nwokike are the Nigerian-American sisters of VanJess. ["Touch The Floor"](#) came out late last year and the video is a bunch of scenes with them and their posse of musician, a photographer and friends hanging out at home. "Touch The Floor" is a summer party record and a good transition from their popular Youtube videos of cover songs into their own brand. DMV producer and musician Masego created the sound of "Touch The Floor."
