

Oddisee's You Grew Up Tells Its Story As A Fast-Moving Cartoon

[youtube id="eD_QnHxM1_A"] Oddisee's *The Iceberg* came out earlier this year and proved once again why is one of the most underrated emcees. The twisted story of "You Grew Up" is told in the cartoon format that makes the content that much more interesting under the direction of Eugene & Louise. Watch as Oddisee's story of being friends with a white boy as youth turns into an ugly narrative about racism. Oddisee's *Beneath The Surface Tour* is on the road now in [Europe](#).
