

MF Doom's Operation: Doomsday To Be Released As A Vinyl Box Set

MF Doom's 1999 debut solo album *Operation: Doomsday* is going to be released as a limited edition vinyl box set. The box will have seven 7-inch colored vinyl discs, two 45 adapters and a 3D version of Doom's mask. There will only be 1500 copies available of the package that has artwork from Lord Scotch. The \$75 set comes out November 15th but you can place your [order](#) now.
