

Ronnie Wright Shares New Single Adore

Ronnie Wright was at the helm of the 2015 *Bespeak Love* album that featured talent from Portland, Oregon hometown. It was received well in the UK and managed to get the number one position on the UK Soul Charts. Wright has returned with new music in the form of his romantic single “Adore.” Wright said this about his new song:

“Adore” is a promise to love, honor, and cherish my true love; to assure her that she is my center, my balance, thus I desire to lift her up and assure her that I will always love & adore her.”

“Adore” is from Wright’s forthcoming *Bespeak* album.
