

Sharon Jones & The Dap-Kings: Matter Of Time Official Video

[youtube id="ipynkBxtM0c"]
Sharon Jones & The Dap-Kings have one final studio album coming out next month. *Soul Of A Woman* is the name of the posthumous collection that's being released one year and a day after her November 17th passing last year. "Matter Of Time" is from *Soul Of A Woman* and the video which is footage from Dap-Tone Record's Super Soul Revue does capture Jones' vivacious spirit which refused to dim even as she fought cancer.
