

# Calvin Richardson's Treat Her Right Is Remixed With K-Ci & Faith Hailey

Calvin Richardson's "Treat Her Right" gets a remix with his old friend K-Ci and K-Ci's niece Faith Hailey. The additional vocals add another layer of soul to the song's heavy emotion. Richardson just released *All Or Nothing* three years after sixth studio album *I Am Calvin*. Read the Kick Mag interview with him [here](#).

## Raphael Saadiq Added To Band Together Bay Area Benefit

Photo By Cameron Robert

Raphael Saadiq will perform in the Band Together benefit concert for North Bay Wildfire Relief. Saadiq is an Oakland, California native and he states,

*“Happy to be part of the sublime roster of hardened musical talent; united to benefit those who lost so much in the wildfires. It’s a privilege to help heal through the power of music. I am bringing all my soul. Hope to see everyone there.”*

Saadiq never rests on his legendary status and has been busy the last year. He executive-produced Solange's *A Seat At The Table* and is the composer for HBO's *Insecure*. This past summer he appeared with Maxwell on a few tour dates and made an appearance with A Tribe Called Quest at FYF Fest. Saadiq also produced Little Dragon's "Peace Of Mind Feat. Faith Evans."

Â The Band Together benefit takes place November 9th at AT&T Park and tickets can be purchased [here](#).

## Grieves Shares Video For Faded

[youtube id="XYzxSTmdIf8"] Grieves' "Faded" is about a lost relationship and the visual conveys the mixed feelings that happen after the ending of a relationship. The Rhymesayers Entertainment rapper just released his fifth studio album *Running Wild*. Grieves is going on the second leg of his U.S. tour this week and his European tour will kick off in February.
