

Wyclef Jean: NPR Music Tiny Desk Concert

Wyclef Jean has had a busy 2017 with the release of the albums *J'ouvert* and *The Carnival III*. TV One made him one of the subjects in their *Unsung* series and he can be heard on DJ Khaled's "Wild Thoughts." He performs a three-song set and shares stories about doing production work for Destiny's Child and Whitney Houston's musical genius.
