

# Talib Kweli Performs Heads Up Eyes Open On The Tonight Show With Rick Ross & Yummy Bingham

[youtube id="xc6TyaW0Ppw"] Talib Kweli's *Radio Silence* is another triumph for his ever-growing discography. He performed "Heads Up Eyes Open" on *The Tonight Show Starring Jimmy Fallon* with Rick Ross and Yummy Bingham. Kweli recently got into a heated Twitter chat with professional poker players who are fans because of their belief that Kweli's lyrical content is "obnoxious" and not the reason that people listen to his music. The rapper, who has built a 20-plus year career based on his political viewpoints explained that the choice to depoliticize his music is racist.
