

Sza Performs A Stripped Down Version Of Go Gina

[youtube id="DpSWgZVIfi8"] Sza goes into the forest to record a lo-fi version of "Go Gina" for Vevo's Lift series. She is only accompanied by a bass player and the concept is simple but it produces the most memorable video from her *CTRL* debut. It is fully expected that Sza will receive Grammy nominations for Best New Artist and Best Pop Album.
