

Sharon Jones & The Dap-Kings: Sail On! Official Video

[youtube id="JsJRTbe0-uU"] Sharon Jones & The Dap-Kings shared a new video from *Soul Of A Woman* today for "Sail On!." The video is footage of Jones and the band working at the Daptone studios in Brooklyn. It is a look at their process and the hard work that happens before the public hears the music and sees the show. Jones is missed after her passing last year but *Soul Of A Woman* is proof that her voice will live forever.
