[youtube id="S2B56DhQXLw"] Tuxedo presents their video for "Fux With The Tux" and it's a choreographed piece with dancers given their cue from the duo in a warehouse. Mayor Hawthorne and Jake One appear briefly in their shiny tuxedos before telling the dancers to take over with their routine. [*Tuxedo II*](#) was released last year and it is a continuation of their love for '80s' R&B, disco, P-Funk and G-Funk.
