

N.E.R.D. Performs Lemon On Ellen

[youtube id="IB1hhlT0Ytg"] N.E.R.D. entertain *Ellen*'s audience with a performance of "Lemon" led by their dancers. Mette Towley, the dancer who took charge in their video for "1000" did the same thing on the comedian's TV show for "Lemon" which was missing Rihanna's presence on her part. The group is still getting ready for their show at the NBA All StarÂ Game next month.
