

DJ Aktive: 90's Love Featuring Marsha Ambrosius Official Video

[vimeo id="245942780"] DJ Aktive's video for "90's Love" featuring Marsha Ambrosius is a hip-hop love letter to the era set in his Philadelphia hometown. Ambrosius is the camera's main focus until shots of the city take the center. Record shopping and styles from the '90s pass by the screen and DJ Aktive also gets into the frame. His debut EP, *The Tour*, will come out in the spring of 2018.
