

# Bishop Nehru Announces *Elevators: Acts I & II* Album

[youtube id="gBqZR6Tg01A"] Bishop Nehru announced his new album *Elevators: Act I & II* today. MF Doom and Kaytranada are producing the project. It is the second time for MF Doom and Nehru to work together because of their 2014 *NehruvianDOOM* album. The trailer uses claymation figures to explain the album's concept. He will promote the project with private pizza parties in various cities for select fans who sign up at his official [site](#).
