

Isaac Hayes' Shaft, Black Moses & Hot Buttered Soul Being Reissued On Vinyl

Isaac Hayes' *Black Moses*, *Hot Buttered Soul* and *Shaft* will be remastered and reissued on vinyl February 23rd from Craft Recordings. All three albums are classics from Hayes' prime period of creativity and established him as a pro-Black soul pioneer. *Black Moses* will include a reproduction of the original poster of Hayes as Black Moses.

The reissues are a part of the year-long celebration of Stax's 60th anniversary. *Isaac Hayes: The Spirit Of Memphis (1962-1976)* 4 CD box set was released in 2017 to acknowledge Hayes' contributions as a songwriter, producer and performer.

Engineer Dave Cooley talks about remastering the albums below. The reissues will be available from [Amazon](#) and [local retailers](#).
