

Nas Pays Tribute To Black Music For Google's Black History Month Celebration

[youtube id="H0JgralVcrs"] Nas shares his love of Black music in a video for Google's Black History Month celebration. He recants the history of music in his household starting with his father jazz musician Olu Dara. Sarah Vaughn and Slick Rick were equally important in his appreciation of great storytellers. The rap legend also wrote a letter detailing his experiences that can be read in full [here](#).
