

Black Panther The Album (Stream)

Black Panther's soundtrack has as much excitement around it as the actual movie. The 14-song collection was curated by Kendrick Lamar who was handpicked by director Ryan Coogler. Anthony "Top Dawg" Tiffith CEO of Top Dawg Entertainment is also behind the music chosen for the soundtrack. Lamar, Sza, Jay Rock and Anderson .Paak are among the artists with songs on the album. Stream the music below and see [Black Panther](#) next week when it opens nationwide.
