

CeeLo Green Sings About Making A Fortune In The Kitchen On Brick Road

[youtube id="owB4CcnFkHM"] CeeLo Green's "Brick City" is a boastful story about the life of an independent drug dealer. The kitchen is the place where the product is created and in Green's words, the seller will never be without money again. Green's last album was the 2015 *Heart Blanche*. "Brick City" is leading the way for CeeLo Green to announce his next album.
