

# Phonte Releases Second Solo Album *No News Is Good News*

Phonte released his first solo album, *Charity Starts At Home* seven years ago. He surprised fans when he announced his new album on Instagram earlier today. *No News Is Good News* is his sophomore effort and it comes after two Foreign Exchange albums and a variety of other projects including his 2016 *Tigallerro* R&B album with Eric Roberson. Stream *No News Is Good News* below.
