

Kid Koala Releases Build Your Crew Video From Floor Kids Original Video Game Soundtrack

[youtube id="3SlDeW8KPG4"] Kid Koala and animator JonJon created the Floor Kids breakdance video game to show one element of hip-hop in a fun way. The game allows players to enter a breakdancing competition as one of eight possible characters. "Build Your Crew" encourages players to create their own dance troupe for battle with Koala's instrumental funk track in the background. The instructions given on how to make a dance posse comes from animals. Kid Koala made all the music for the game's soundtrack that will go on sale April 27th and the [game](#) itself is available now. The DJ will take the music on [tour](#) in April with a traveling arcade.
