

# Adrian Younger Uncovers Video For Stranger By The Sea

[youtube id="wLA6d9n0Vhw"] Adrian Younger's singers Brooke DeRosa and Rebecca Englehart are the focal point of the "Strangers By The Sea" video. The two women stare up into the sky while lying down and imagining a kiss from an unknown person. Younger's [\*Voices Of Gemma\*](#) is out now. If you are in the Los Angeles area you can see Younger and Ali Shaheed Muhammad's DJ set for a party honoring the late Luther Vandross April 19th at Lodge Room.
