Junglepussy's third album *JP3* is out now after the previous release of the singles "Showers," "State Of The Union" and "Trader Joe." The New York rapper is joined by Gangsta Boo, Wiki, Rico Love and QuiÃ± with producers ShyGuy, Kashaka and Sporting Life. JP's humor, holistic advice and hubris are still intact on the new project. Fans who enjoyed *Satisfaction Guaranteed* and *Pregnant With Success* will be able to follow JP's latest release.Â

Today she celebrates her new album and later this year fans will be able to see her in the Andrew Bujalski film *Support The Girls* alongside Regina Hall.Â
