

Anderson . Paak : Official Video

Bubblin

[youtube id="7PmUtmfTmbg"]
Anderson . Paak gets to experience being rich after he takes an ATM machine in his video for "Bubblin." His son Soul joins him in the events that transpire including his shopping trips, a one-night stand and taking a swim in cash. He also takes a jibe at materialistic women. Paak was not clear about the completion of his next album but he told radio host Zane Lowe that Dr.Dre has worked with him on the new music.
