

Black Milk Announces 30-City US Tour

Black Milk is touring 30 cities in the United States with his

Nat Turner band in support of his new album *FEVER*. The tour starts on the West Coast in June and they will move through the east before their nationwide quest ends with two last dates at El Club in his Detroit hometown. Black Milk has curated a Fever Tour playlist on Spotify and there are songs from the album and other artists including Kali Uchis, Parliament, Steve Lacy, KAYTRANADA and more. [Tickets](#) are on sale for the tour. Stream the Fever Tour playlist below.
