

# Lenny Kravitz Looks To The Past In Video For Low

[youtube id="Azd6ex0ml0w"] Lenny Kravitz's "Low" video is a compilation of old film from the '70s depicting people living life in New York City. The vintage celluloid puts "Low" in a time machine with a little bit of grit from the lines and spots overlapping the moving images. It is the first video from Kravitz's *Raise Vibration* coming out later this year.
