

Ali Shaheed Muhammad & Adrian Younger Release *The Midnight Hour* (Album Stream)

Ali Shaheed Muhammad and Adrian Younger's *The Midnight Hour* is their latest collaboration. The jazz, hip-hop, Latin, and R&B-influenced album has appearances from Ladybug Mecca, Raphael Saadiq, CeeLo Green and more. They cite the Harlem Renaissance and Black excellence as their inspiration. The 20-song album shines brightly despite its reference to the middle of the night.Â
